Fred,

We are working through all of the data as we speak, so you should be getting more next week.

Thanks,

Subject: Remaining Dimock Data

Cindy,

Can you provide an estimated delivery date for the following:

Gross alpha and gross beta results for samples collected between February 9 thru February 15
Gross alpha and gross beta results for samples collected between March 5 thru March 8.
Radium 228 results for samples collected January 30 thru February 15 (lab reported QC issues for these) and
Radium 228 samples collected March 5 thru March 8.

Thanks
